

TOPEX

REACH

Registration, Evaluation, Authorization and Restriction of Chemical substances

TOPEX declares that all deliverable products to Hologic are products as such and cannot be classified as a substance. Our products do not release substances.

At our current knowledge level of known SVHC's to the EU regulation 1907/2006 (REACH) which was stated on June 1, 2007, no restricted substances which are in the scope of REACH restrictions are present in TOPEX products. The latest 233 SVHC's per the REACH regulation were last updated January 17th, 2023. Please to the following for the most current candidate list of substances: <http://echa.eutopa.eu/candidate-list-table>.

We maintain an ongoing relationship with our suppliers and will be informed immediately should any changes occur.

As a downstream user, we meet the requirements of the REACH regulation with our suppliers and in accordance with Article 33.
